

STUDIO SIMO LAHTINEN

SIMO LAHTINEN

BIO

Simo Lahtinen (1989) is an Industrial Designer based in Helsinki, Finland. With his experience in architecture, user centered design, meaningful products and passion to pure aesthetics of Nordic design, he maintains a balance between functionality and visual look in all of his work.

Throughout his career, Simo has worked on a wide range of projects, from large-scale built environment projects to product design and branding. He has been recognized for his work with international design awards and has been featured in international press and publications. His ultimate goal is to create design that is both honest and meaningful, with a positive impact on users and the environment.
